

# THANK YOU!!!!!!

**\$62,479.31**

On behalf of everyone involved with NW Works, we wanted to express our sincere appreciation for your generous contributions to the "Chain of Checks" this year.

▶ We are pleased to announce that the final total income from the Chain of Checks this year is \$62,479.31.

A heartfelt thank you to all the wonderful people, organizations, parents, staff, workers, and families who gave their time to staff the booth at the Simon Mall.

These funds will enable us to work with disabled youth from the local schools this spring training and placing them in community employment for the summer, thus giving them the opportunity to reach their individual work goals and be a part of our wonderful city and surrounding area.

Thank you Barry Lee and WINC Radio for your support and hard work again this year as once again our community stepped up and gave generously to help others.
